TARGETED PHYSICIAN JOB BOARDS

TARGETED PHYSICIAN JOB BOARDS

As healthcare has evolved into what it is today, TPJBS has capitalized on that market and given today's Physicians and Advanced Practitioners the ability to utilize just one job board in the search for their next position.

With thousands of registered profiles and more added daily, TPJBS is the fastest growing website in the nation dedicated strictly to attracting Physicians and Advanced Practitioners from across the country to your specific job openings.

What We Offer

By working with TPJBS, you not only get the benefits of a single website, but the entire Targeted Physician Job Boards Network. Here are some of the benefits you will receive:

- Your job postings are automatically cross posted to all websites within the TPJBS Network at no charge.
- Access to our active Provider Database.
 - Name, Location, Email, Phone Number, Specialty, Desired Location, and Citizenship are all required fields!
- You receive automatic email notifications of new profiles and Job Matches.
- There are no limitations on users per company, number of candidates viewed/contacted, or any other activity.
