

The Targeted Physician Job Boards Network combines separate, though highly integrated job boards, with the sole focus of connecting Physicians and Advanced Practitioners from all specialties with employers and recruitment agencies nationwide.

As the fastest growing network of its kind, the TPJBS Network is dedicated to helping our partners maximize their own revenue, web traffic, engagement with users, and overall website value.

BENEFITS

Partnering with the TPJBS Network allows you to engage your members, users, and site visitors with more relevant job content than ever before, with tens of thousands of job postings and thousands of provider profiles!

Job seekers are able to utilize the most advanced search functionality and can apply online or contact an employer without registration if they choose. Should they decide to set up a profile, a candidate can easily set up their profile, upload their C.V, and manage their information.

Everyone using our service, client and job seeker alike, will also have access to our wonderful Customer Service Team to assist with any questions that come up!

HOW WE CAN HELP

REVENUE SHARING PROGRAM

Provides additional market penetration from your existing job board.

Integrations can be accomplished via XML Feed or manual submission of jobs.

Your users are given the ability to include their job postings on the TPJBS Network, and you keep 50% of all revenues generated.

We work hand in hand with your team to determine the appropriate pricing structure to best match up with your current work flow.

BACKFILL JOB POSTINGS AND PROVIDER PROFILES FROM THE TPJBS NETWORK

If you are satisfied with your existing job board design, but need help providing more relevant and higher quality content to your users, our Backfill option is a great fit.

We supplement your job and provider profile data from within the TPJBS Network.

Your providers see the most relevant and active postings. 20K - 30K jobs posted within the last 90 days!

Your job posting clients benefit from the most accurate and up to date provider profiles possible. All provider profiles have been phone verified by our team of "around the clock" Intakers within the past year.

CUSTOM INTEGRATED JOB BOARD

"Plug and Play" peace of mind!

Full integration of all TPJBS Network job postings and provider profiles.

Job postings are relevant, current, searchable, and can be applied to with or without a provider's registration profile.

20K-30K jobs posted within the last 90 days alone! Our in-house team handles all job board sales, customer service, email notification, etc. You do not have to worry about anything related to the job board, once set up is complete.

All provider profiles are phone verified by our team of "around the clock" Intakers, to ensure the most accurate and up to date information possible, on all active profiles. Profiles are purged from the database after 1 year if updated information is not received.
